WORKERS COMPENSATION

- Workers Compensation is a benefit to Common Law Employers (CLE) and their Support Service Professionals (SSP).
- If injured when working, no matter how large or small the injury, the CLE or SSP should call the below number right away! Do not delay! The treatment cost of the injury and any lost work time wages may be covered through by workers compensation.

1-800-804-9382

- The SSP or CLE should be prepared to provide information about the injury, and the name of the employer. Remember, Public Partnerships, LLC (PPL) is not your employer.
