## **Criminal Background Check Notification Letter**

According to our records, you have applied to provide services to a member in the KS WORK Healthy Blue Program. As part of employment through this program, it is required that a provider pass a criminal background check before working. Your criminal background check was completed through HireRight Inc. No barrier crimes have been disclosed and your employer has the option to hire you. To the extent applicable, you must meet with your employer to discuss the nature of any offenses, so a decision can be made on your employment.

A Pre-Adverse Action Notice is included in this letter along with a copy of your results and the FCRA Summary of Your Rights.

KS WORK Healthy Blue, through PPL has also provided this same information to your employer.

**Please call KS WORK Healthy Blue, through PPL at 1-833-204-9038 (TTY: 1-800-360-5899) if you have any questions.**
