

Indiana FSSA Pathways For Aging Referral & Change Packet

Thank you for your interest in the Indiana FSSA Pathways For Aging Program!

The attached form can be used to make a referral or to report established consumer updates or changes. This includes:

- Address/name change
- New employer
- New authorized representative
- Service/rate change
- Service hold
- Disenrollment

The instructions below will assist with completing the required information based on the action you are reporting.

Form Section	New Referral	Update to Existing Information
Referral Type	Check New Consumer Referral	Check the corresponding box for the change/update you are reporting.
Consumer Section	Complete all fields	Complete all fields
Program Details	Complete all fields*	Complete all fields*
Employer Details	If the consumer is also the employer, check the box indicating that the consumer is also the employer. If the consumer is designating another person as the employer, complete all fields with employer demographics.	Complete all fields if there is a change in employer or update to existing employer information.
Authorized Representative Details	Optional- complete if the consumer is designating an authorized representative to assist them but they will not serve as the employer.	Complete if there is a change in authorized representative or to update existing authorized representative information.
