Clock in and out to start and end your shift

01

Tap **Clock-in now** from Dashboard Select who you are working for

02

Select the service you will be providing

03

Save your selection as a Favorite for easier clock in next time

Start your clock

04

Tap running clock from Dashboard to see your active shift

Add notes related to your shift, if needed

At the end of your shift, tap **End Time** to clock out

05

Review your shift details

Tap Submit to finish your entry

There are two options for approval:

“My consumer can approve now” — this allows reviewing and approving the shift on your device right now.

“My consumer will approve later” — your entry will be submitted, and it can be reviewed and approved on consumer’s device at a later time.

You can view your entry in the Time Entries page. Tap on Time in your base menu.

Add Past Shift

Forget to clock in or out? Add a past shift if you’ve already worked.

For EVV users, remember that this does not meet EVV requirements and will be recorded as a manual time entry.

Follow these steps:

- Tap Add past shift from your dashboard
- Select who you worked for
- Select the service you provided
- Enter your start time, end time and notes, if needed
- For EVV users, please select a manual entry reason
- Tap Submit
