

Automobile Requirements Form

If the Support Services Professional (SSP) or the Common Law Employer (CLE) provides transportation they will use this form as a cover letter when providing automobile requirements to Public Partnerships LLC (PPL).

If you provide transportation, PPL will need the following:

- Copy of the automobile insurance of the car that will be driven when providing the transportation service.
Copy of the automobile registration of the car that will be driven when providing the transportation service.
- Copy of the inspection stickers (front and back) of the car that will be driven when providing the transportation service.

Please attach a copy of each document and complete the fields below. Please send it to PAODP@pplfirst.com for processing when completed.

☐ I am a CLE. ☐ I am a SSP.
