

Ohio Self-Direction Waiver GPS Consent – Time 4 Care

Beginning 12/8/2025 you may voluntarily give your consent to GPS tracking for your provider(s) time entries. To give your consent in the Time4 Care app, please follow the step-by-step instructions.

In Time4Care:

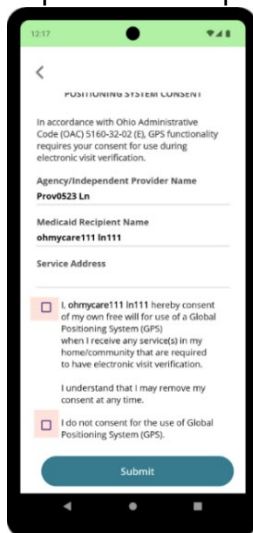

1. Tap on “Please provide your consent for the use of PS for electronic visit verification”

2. Select the provider from the list for whom you wish to allow or deny consent.

3. Select Consent... or Do not Consent... option and tap Submit

4. Sign in the space provided and tap Submit
