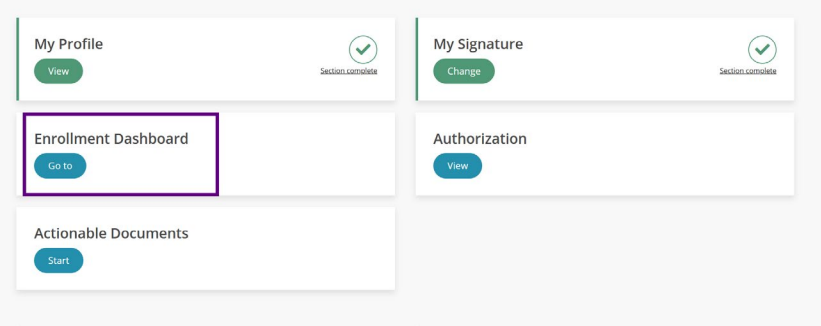
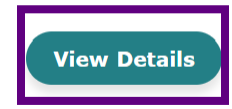
How to Review the SUI/SUTA Rate within MyAccount

Follow the steps below as a **Supports Coordinator (SC) or Administrative Entity (AE)** to review the SUI/SUTA* rate in MyAccount.

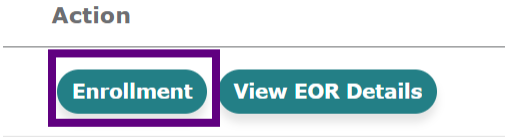
- Log in to MyAccount.
- Click Enrollment Dashboard.



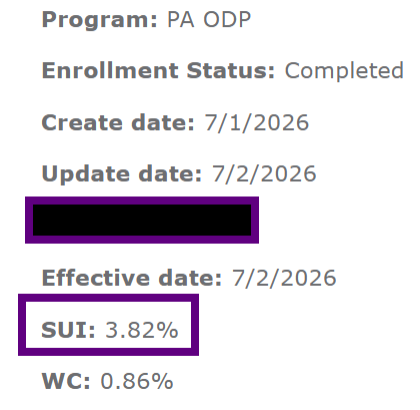
- Search for the appropriate participant.
- Click View Details.



- Click Enrollment.



- The SUI/SUTA Rate is located under Enrollment Details at the top of the page.



This is an example; and SUI rates will be different for the person you are searching for. The information listed in MyAccount is correct.

*SUI and SUTA are state unemployment taxes that employers pay. This money helps provide unemployment benefits to workers who lose their jobs. The state sets the SUI/SUTA rate, and employers use that rate to calculate how much tax they owe. It is important to review this rate to make sure payroll taxes are calculated correctly.
